Kids and Money

Worksheet 2 – Adult Worksheet

1. How were financial decisions made in your home:
2. What did you see adults doing with money? What did you hear them saying?
3. Did money ever create conflicts in your family? If so, how were those issues resolved?
4. What lessons did you learn about money from your childhood?
5. What is your favorite money memory?

Reflect on your Money Memories with your child based on their answers:

1. How are our experiences similar?
2. How are our experiences different?
